The purpose of this Ordinance is to authorize the Borough of Manville to waive Construction Permit Fees for borough residents who suffered damage to electrical, plumbing, hot water, HVAC, and furnace equipment in their homes, as a result of Hurricane Ida.

WHEREAS, flooding and storm damage occurred in the Borough of Manville from Hurricane Ida leaving Borough home owners with damaged electrical, plumbing, hot water, HVAC and furnace equipment in their homes; and

WHEREAS, the Mayor & Council believe it to be in the best interest of the Borough to afford victims of Hurricane Ida with emergency relief from the cost of some construction permit fees for repair and recovery efforts from Hurricane Ida;

NOW THEREFORE BE IT ORDAINED by the Mayor & Council Body of the Borough of Manville in the County of Somerset and the State of New Jersey, as follows:

SECTION 1: Notwithstanding any other Borough Ordinances or Borough Code to the contrary, all permit fees for this six-month period from September 1, 2021 through March 1, 2022, for flood damaged homes, for, for hot water heater, electrical panel, plumbing, HVAC, furnaces, and related electrical work being performed, shall, upon the signing and filing with the Borough Clerk of a Certification of Flood Damage by the Applicant certifying that such construction work is a result of Hurricane Ida damage, be waived for the period

September 1, 2021 through March 1, 2022; that six-month time period may be further extended by further Resolution of the Mayor & Council.

SECTION 2: Any resident or applicant who has already paid a permit fee for such work due and paid between September 1, 2021 and the Effective Date of this adopted Ordinance, shall, upon the signing and filing with the Borough Clerk of a Certification of Flood Damage by the Applicant certifying that such construction work is a result of Hurricane Ida damage, be issued a refund for any such fees due and paid on or after September 1, 2021.
